## **POLICY MANUAL**

**POLICY TITLE:** Committees of the Board of Directors  
**POLICY NUMBER:** 4060

Standing committees advise the Board with respect to matters within their respective responsibilities, After the Board officers have been elected, at the following Board meeting, the Board Chairperson shall appoint and publicly announce the two members assigned to each of the standing committees, for the ensuing calendar year. In addition, the Board Chairperson shall appoint two members to represent the District on the City's Inter-Agency Committee.

The members of each committee shall agree upon a committee chair, and if there is no agreement, the more senior member of the committee will become the chair. If there is a tie regarding seniority, then the Board Chair will designate the committee's chair. The designation of committee Chairs shall strive to provide all Board members with opportunities to gain experience. If a Board member chairs multiple committees, it would benefit the District and Board for that Board member to reduce the number of committees they chair.

The following shall be standing committees of the Board:

- Budget and Finance Committee;
- Facility and Development Committee;
- Policies and Personnel Committee;
- Publicity, Program, and Community Relations Committee;
- McIntyre Ranch Committee; and
- Sports Center Committee.

The Board Chairperson shall appoint such ad hoc committees as deemed necessary or advisable by the Chair and/or the Board. To qualify as an ad hoc committee, the committee must be temporary (i.e., exist for less than a year), be advisory (i.e., no final decision-making authority), and have a discrete task or goal rather than a continuing jurisdiction over a range of policy issues. The Board Chairperson shall outline the duties of ad hoc committees at the time of formation or appointment, and the committee shall dissolve when it has made its final recommendations, or it has run out of time. Ad hoc committees may, but are not required to, post meeting notices and agendas and allow the public to attend.

The General Manager or the General Manager's designee shall be an ex-officio member of all committees. Each committee chair shall inform the Board as to the business transacted at each Board meeting.

The Board's standing committees will meet on an as needed basis as determined by the committee chair and the General Manager, and shall review District functions, activities, and/or operations pertaining to their designated concerns, as specified below. Any recommendations resulting from the committee's review should be submitted to the Board via a written or oral report.

All meetings of standing committees shall conform to all open meeting laws (e.g., "Brown Act") that pertain to regular meetings of the Board. As with Board meetings, a quorum of the committee must be present to hold a committee meeting; since each committee has only two members, both committee members must be present to convene. Should a third member of the Board wish to attend meetings of any standing committee, they may do so as an observer only and may not ask questions or make statements during the meeting, nor participate in any manner.

#### **The Board's standing Budget and Finance Committee**

This committee shall work with the General Manager and other staff of the District on the annual budget projection and other financial matters. This committee shall review the General Manager and Directors' expenses, annual audit and annual financial statement before publication. The committee will ensure that investment policies are followed and that funds are invested in a prudent manner with adequate protections to prevent misuse.

#### **The Board's standing Facility and Development Committee**

This committee shall study and recommend acquisitions of real property and the type of facilities that should be planned for new acquisitions, and all joint planning and developmental programs for district facilities, including any additional facility needs and development of present parks. This committee shall review and, make recommendations for facilities and/or developments. This committee shall review matters related to engineering and operation of facilities and short and long-range capital improvement plans.

#### **The Board's standing Policies and Personnel Committee**

This committee shall study and make recommendations for the compensation and welfare of District Staff. This committee shall also, as needed, meet with the General Manager regarding the items and conditions of the General Manager's employment by the District. This committee shall review the functions of District staff and other policies not assigned to other committees.

#### **The Board's standing Publicity, Program and Community Relations Committee**

This committee shall study and make recommendations for all District recreational programs and policies regarding public affairs and community outreach, including co-sponsorship with other entities. This committee shall assure information regarding the affairs of the District is adequately communicated to its constituents and the public at large. This committee shall make presentations before groups and organizations upon request.

#### **The Board's standing McIntyre Ranch Committee**

This committee shall study and make recommendations for the District's uses of and plans for McIntyre Ranch. This committee shall also solicit feedback and participation from interested community members and groups.

#### **The Board's standing Sports Center Committee**

This committee shall engage in planning and make recommendations for a District Sports Center Complex.
