May 2, Wednesday, 7:00-9:00pm**

**NEW! ANGER MANAGEMENT • Ages 10+**

Angry people use aggressive techniques rather than assertive techniques. This class will teach you skills that will change how one thinks about a situation which ultimately will change how one behaves. In order for one to learn these strategies, we will explore: understanding coping strategies and how to use them to diffuse angry thoughts that lead to angry actions, as well as utilizing win-win techniques in negotiating. For more information, please contact the Coordinator at 648-4640.

**NEW! ROCK BAND FOR STARTERS**

**• Ages 7-11**

In this 10-week class, kids go from rookie to rock star! Wail solos on guitars and keyboards, work the microphones, twirl the drumsticks and feel like a real rock star when performing a song(s) at the final concert. Under expert guidance, the kids will experience a variety of instruments while learning the basics of how to play them and perform simple rock songs. A concert at the end of the session gives students the chance to show off their new skills Rock-Show-Style! For more information, contact the Coordinator at 648-4640. Instructor: Raymond Victor
