

**COYOTE CLUB • Ages 4-14**

The McIntyre Ranch is home to several different habitats as well as farm animals and an educational garden. Explore nature through activities, games and crafts. Getting up close to nature helps us to understand the balance we have with the environment and why conservation is necessary. Studies have found that children who spend time exploring nature are more focused and interested in school. Children who play in unstructured activities become better stewards of the planet. Families are encouraged to come to every meeting. Bring a snack, water and your curiosity! For more information contact the Coordinator at 648-4609.

McIntyre Ranch is off St. John's Mine Road.

Cost: \$5/class/child resident,

**HORSE DAY AT MCINTYRE RANCH  
• AGES 8-17**

Come spend the day at the McIntyre Ranch horse stables learning about the wonderful, friendly horses and goats, and participate in their daily care. Wear sturdy work clothes and tough shoes because this is a hands-on experience. This program is focused on how to be safe around horses and have fun. You'll put a halter on a horse, learn to lead horses safely, how to brush them, clean their feet and clean their stalls. Everyone will have the chance to sit on a horse (helmet is required and provided, keep hairstyle simple for easy fit). Wear layers, eat a good breakfast and bring a water bottle. Ask for directions when you register. For more information contact the Coordinator at 648-4609.

McIntyre Ranch is off St. John's Mine Road.

Cost: \$25/class resident, \$30/class nonresident
