

30-DAY NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

PROJECT DESCRIPTION

The Greater Vallejo Recreation District hereby notices its intent to adopt a Mitigated Negative Declaration for the Dan Foley Park Renovations project. Dan Foley Park is located in the northern portion of the City of Vallejo, Solano County, California. The irregularly-shaped project site, located in the southern portion of Dan Foley Park, is approximately 3.8 acres in size and is currently undeveloped except for a bathroom building, children's play area, and pathways. The project portion of Dan Foley Park is bordered on the south by single-family residences, on the southeast by a parking area of the Six Flags Marine World theme park, on the northeast by a parking lot (within Dan Foley Park), on the north by an existing baseball field (within Dan Foley Park), on the northwest by a parking lot (within Dan Foley Park), and on the southwest by Sutter Solano Medical Center. The Assessor's Parcel Number of Dan Foley Park is 0052-230-360.

The proposed project would demolish the existing restroom building, children's play area, and pathways in the northern part of the project site, and remove vegetation and perform minor grading. The project would construct a baseball/soccer field and associated improvements in the southern portion of the project site, a set of park amenities (restroom/concession building, children's play structure, picnic areas, open lawn area, barbeque pits, and bocce ball court) in the northern portion of the site, and add up to ten parking spaces to the existing parking lot located northwest of the project site. In addition, the project would include ADA accessible pathways, utility upgrades, irrigation, and landscaping. The baseball/soccer field would be used approximately 1,000 to 1,200 hours per year, primarily weekday evenings and weekends. The field would be illuminated as late as 10:30 p.m. on nights the playing field is used.
