Thank you for supporting the Greater Vallejo Recreation District. We appreciate you willingness to perform volunteer work for GVRD.

We take pride here at GVRD in our work and are confident that you too will take pride in your work here. Together we can help Vallejo by helping GVRD in “Building community and enhancing quality of life through People, Parks, and Programs.”

What You Can Expect from GVRD

What we do is essential to the overall well-being of our residents. In addition to just being fun, our parks, programs and services give all of us a chance to improve our physical and mental health to develop our youth, to focus on our environment and make a positive economic impact on our community.

We will provide orientation, training, and supervision. An appropriate work space and environment, including consideration for physical disabilities.
